

# Fancy a Playdate?

## Parent Contact List

Each year, the P&C puts together a contact list for those parents who would like to share details for playdates, checking up on things etc.

The P&C will be communicating with families more via email, if you wish for your email address to be shared please also indicate below and supply your current email address.

If you would like to be included on the 2019 Contact List, please fill out the form below and return to the office. The school can't share your contact details without your permission, so if you don't want to return the form, you won't be on the list.

Kim and Jen will send out a list once we have all permissions returned.

**Cheers**
