FIRST NORTH SWIMMING CARNIVAL: Information

We're starting 2020 in the pool! **This year's First North Swimming Carnival is on Tuesday February 4th 2020 at the Alstonville Memorial Baths.**

Participation in the First North Swimming Carnival is voluntary and open to children from 8 years old who are competent to swim 50 metres.

If you wish your child to attend, please tick the appropriate boxes on the Consent Form. School is on at Rosebank for any children not involved in the Carnival and we encourage any children in Years 3 to 6 not swimming to go along to school for fun and learning.

Transport to the pool is by private car (you need to take your child to the Alstonville Memorial Baths). Students participating in the Carnival are to arrive at the pool by 9.30am as the first race will be marshalled at 9.45am with racing to commence at 10.00am sharp. Children are to pay entry then go directly to the Rosebank area for roll marking. Before leaving for the day, each child must also be signed out by the teacher.

Pool entry is \$5.00 per person and is payable at the pool (Fitness Passport Pool season passes may be used). Please give your child cash to pay at the pool. Children participating must all bring a water bottle as well as either a packed lunch and morning tea or money to purchase food at the Canteen. Ribbons and medallions are presented at the end of the day and the program finishes by 2.00pm. Please be at the pool by 2.00pm to collect your child as we will not return to school.

Juanita Thomson and Oliver Pescia
Principal Classroom Teacher

Please Note:

*Ribbons will be awarded to the first three place getters in each event. Medals will be awarded to age champions (Junior Girl and Boy, 11yrs Girl and Boy and Senior Girl and Boy). There are qualifying times for the zone carnival and **placing in an event does not necessarily result in zone representation.***

The fastest 4 students in each age group will represent the First North District in relay events at the zone carnival (unless student elects to swim in the PP5 relay instead).

Individual Medley: To compete in the 200m individual medley swimmers must enter prior to the carnival by submitting a time achieved at a previous carnival, squad training session or swimming club night. POINTS FROM THE INDIVIDUAL MEDLEY WILL NOT BE INCLUDED IN THE POINTSCORE FOR SCHOOLS OR CHAMPIONS.

First North Swimming Carnival 2020
