Nurturing Talent - Unleashing Potential
1971 - 2021

Students from Years 4, 5 and 6 who excel in the Creative Arts are eligible to apply for this unique week-long residential opportunity

Activities at the Creative Arts Camp include Concert Bands, Mixed Instrumental and Guitar groups, Dance, Visual Arts, Media Arts, Vocal and Drama groups. There is also an exciting range of elective activities available such as animation, dance, drama, visual arts and various instrumental groups such as Stage and Rock Bands to enable students to explore arts areas other than their Main Group activity. A significant emphasis of the camp is performance and display. Final selections will be made on the basis of overall balance with priority given to year 5 and 6 students.

Performance opportunities include evening concerts each night, plus the final Camp Concert on Friday August 6, commencing at 1:30pm. Family and friends are invited to this showcase of the week's work.

The Camp commences at 4pm on Sunday August 1

**All campers are involved in a choral activity.
Students should be aware of this requirement.**

Children will be involved in only ONE 'Main Group' activity as listed in the application form.

In the PREFERENCE column please number **ALL** the activities in which your child is capable of participating.

It may not be possible for your child to receive their first choice as places in groups such as Drama, Visual Arts, Media and Dance are limited. If students list only one area and there is no position available in that group, we are unable to offer them another choice if they offer no other options.

Please ensure children who are recommended do possess adequate skills.

Students should be nominated by a private tutor, principal or classroom teacher to ensure they have the necessary skills.
