TOURNAMENT OF MINDS

Expression of Interest for Year 3-6 Students due to School Office by Wednesday 4 August 2021

Below is an Expression of Interest for Year 3-6 students inviting them to join the Tournament of Minds competition team for Rosebank Public School. There have been some changes this year to how Tournament of Minds will be run for 2021 due to Covid-19.

- There will be only **one round** of the competition.
- The competition this year will be completely **submitted online**. More information will be coming about which platforms will be used to upload our Rosebank video.
- Total video presentation time for the team is **five minutes**.
- There will NOT be a 3m x 3m square for presentations in 2021.
- The number of students per team will continue to be **seven**.

Mrs Thomson and Mr Pescia will work closely with students to enhance their skills in:

- Ways of Thinking-Creativity, critical thinking, problem solving and metacognition required for deep thinking and powerful learning.
- Ways of Working-Communication and collaboration skills essential for working in the world today.
- Tools for Working-Information and technology literacies.
- Living in the World-Citizenship, life skills and personal responsibilities.

Good luck to all students with your EOI submission. We look forward to reading them.

Regards,

Juanita Thomson
Rosebank Public School Principal

Mr Pescia
Class Teacher
