Canteen News 9/2/2022

The school canteen will be operating this term starting this week. In line with Covid-19 guidelines all parent volunteers must be double vaccinated and will need to sign in at the office. If you have any flu like signs or symptoms, please call us to advise and do not come into the school grounds.

The school canteen is open every Friday at lunch only. Children will still need to bring something to eat at recess.

We order our lunches on a brown paper bag. Some are attached to this note. When ordering please remember to put your child's name and class on their lunch bag to assist with sorting in the canteen. It's easiest to order everything on the one bag (hot and cold food), the children can then bring the bag back to the canteen after eating their hot food when they are ready to eat their ice block, frozen treat etc.

A brown paper bag or recycled bag with your child's name/class and order written on the front and the money to cover their order inside the bag should be put in the office on arrival at school on **Thursday** mornings. (If requiring change please include a separate clip lock bag or envelope to put change in so as the money/change doesn't come in contact with food).

We are currently putting together the roster for canteen helpers for Term 1 and Term 2. For the canteen to run smoothly and efficiently we need as many parent helpers as possible. Canteen is great fun and your children love seeing you there!

Please indicate whether you would prefer to set up on a Thursday (during school hours, takes approx. half an hour) or serve on a Friday (12.30-2pm) to allow for sufficient time to clean/pack up. Ideally it would be great if we had 2 people to serve each Friday, so if we have enough volunteers, each family will need to assist only once or twice a term. Please indicate on the attached page if you'd be able to assist at least twice a term and return the attached slip as soon as possible so the Term 1 roster can go in the newsletter next week.

Thank you to all our parent helpers – we really appreciate your help.

Kind Regards,
Silvina Medel
Canteen Coordinator
