## Canteen News 31/1/2023

The school canteen will be operating this term starting this Friday. If you are volunteering and have any flu like signs or symptoms, please call us to advise and do not come into the school grounds.

**The school canteen is open every Friday at lunch only.** Children need to bring their own recess each Friday.

We order our lunches on a brown paper bag. One is attached to this note. When ordering please remember to put your child's name and class on their lunch bag to assist volunteers with sorting in the canteen. It's easiest to order everything on the one bag (hot and cold food) and drinks, the children can then bring the bag back to the canteen after eating their hot food when they are ready to eat their ice block, frozen treat or collect their bottomless cup.

A brown paper bag or recycled bag with your child's name/class and order written on the front and the money to cover their order inside the bag should be placed in the office on arrival at school on **Thursday** mornings. (If requiring change please include a separate clip lock bag or envelope to place change in so the money/change doesn't come in contact with food).

We are currently putting together the roster for canteen helpers for Term 1 and Term 2. For the canteen to run smoothly and efficiently we need as many parent helpers as possible. Canteen is great fun and your children love seeing you there!

Please indicate whether you would prefer to set up on a Thursday (during school hours, takes approx. half an hour) or serve on a Friday (12.30-2pm) to allow for sufficient time to clean/pack up. Ideally it would be great if we had 2 people to serve each Friday, so if we have enough volunteers, each family will need to assist only once or twice a term. Please indicate on the attached page if you'd be able to assist at least twice a term and return the attached slip as soon as possible so the Term 1 roster can go in the newsletter next week.

Thank you, we really appreciate your help.

Kind Regards,
