

## Lismore Lantern Parade 2023

20/6/2023

Dear Parents and Carers,

The Lismore Lantern Parade 2023, 'Gates of Renewal' will be on Saturday 24 June. Rosebank Public School has been entrusted to carry the large Goldfish lanterns. These lanterns are heavy and we will need some adults or teenagers to help carry them.

The assembly point is on Magellan Street, near the old Library Building. We will have our Rosebank Public School banner on display to help you find us. We are to assemble between 4:30 and 5pm. The parade will depart at 5:30pm. A map of the parade route is attached to this note.

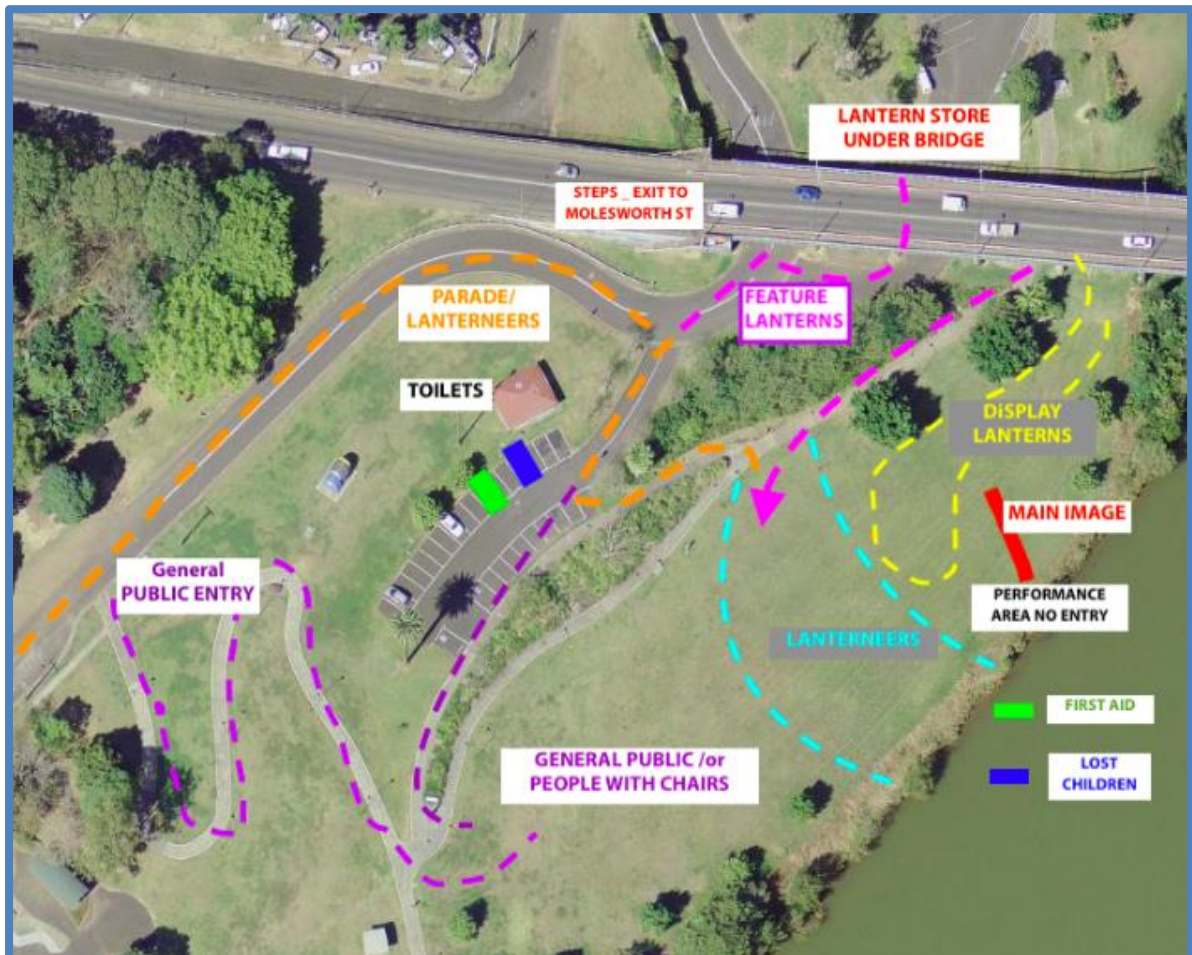

Rosebank Public School staff will be in attendance for the parade but there will be no supervision before or after the parade part of the celebration. Parents remain responsible for supervising their own children at all times.

Please return the slip below to confirm if you are volunteering to help carry the feature lanterns and to give an indication of numbers of our school community who will be there on the night.

Regards,

Juanita Thomson and the Rosebank Team

Principal Rosebank Public School
