Dear Parents

Breaking news from the Zone Swimming Championships....The PP5 Relay Team came 2<sup>nd</sup> in their race and will progress to Regional Championships. Ashley and Sai swam well in their individual events.

**Welcome to Country and Badge presentation** are GOOD TO GO for this Friday. Please come along at 1.30pm for a 1.45pm start for the Fire Ceremony. This will be followed by ceremony to induct our new School Captains and Peer Support Leader. It will be a special community event and having you there will make it even more so.

Attached to this week's newsletter is a letter from the Corndale P&C as well as an Expression of Interest for families who might like to utilise any after-school care program that was to be hosted at Corndale. Bob has said that, should **After-School Care** become available at Corndale, he would be able to transport our students there. Our P&C feels that this could be an opportunity for a productive partnership. Should you be a potential future user of ASC, please return the EOI to the office and we'll pass it on to the Corndale P&C.

Rosebank will host a meeting of Teaching Principals at the school all day on March 19<sup>th</sup>. The P&C will be catering. If you are able to provide a cake for morning tea OR a salad or main meal dish for lunch, please let Abigail or Cath Bell know.

**Small Schools Soccer** season is almost upon us. While Norm and Peter are happy to continue working with our team, they would greatly welcome others interested in sharing coaching responsibilities to throw their hats into the ring. Soccer is a Rosebank Passion, so helping out will put you right at the centre of some seriously fun soccer action. Please see Abigail if you are able to commit to a soccer training session once each week or if you can help in another way, such as by getting the goal posts set up, supervising students at games etc.

Advance notice for the **Small Schools Cross Country**: Put it in your diary for Thursday 30<sup>th</sup> April. This year, the Cross Country will once again be run by Rosebank at Clunes PS. Parents from our school will run the canteen on the day and this is always a big fundraiser for the school. The P&C will keep you posted as to what is needed, but for now please set the date aside to cheer your child on and help us deliver a lovely day for the whole First North Learning Community.

Saving the BIG stuff for last...**This Tuesday March 3rd, the P&C will meet again for its AGM.** All positions are open, and the P&C are calling for nominations. Everyone is always ecstatic when new people come along who are prepared to take on a role. Please come along whether or not you feel able to volunteer. It is important that we have a representative group and there is always so much news to share.

**What are these?**

Juluhrgran students have been investigating the movement of peoples across the globe in HSIE, building on earlier studies of British colonisation in the middle school. We started by documenting prior knowledge of colonisation using concept maps.

*We respectfully acknowledge the Elders past and present of the Wijabal Wiyabal people and other peoples of the Bundjalung Nation. They, the "Clever People", are the first peoples of this land, which has long been a place of learning for Aboriginal people.*
