An important news item we forgot to share last week...One of our Year 6 students is celebrating a mighty achievement. You may have seen on our website that just over a week ago, Bridie tried out for the North Coast Soccer Team. The trials are extremely gruelling and competitive, but Bridie made it through. Along with only one other girl from Northern Rivers, Bridie will now go on to represent the entire region at State Championships in June.

Onwards! The planets seem to be in alignment for a gorgeous Cross Country Day tomorrow. Sincere apologies to all those who baked and prepped ready for last week – we just couldn't go ahead in that terrible weather. Things are looking much brighter for tomorrow and we are enormously grateful to all those who are pitching in to make the Canteen just as successful as the Cross Country itself is sure to be. A reminder: Children travel to school as usual. We will mark the roll then proceed to Clunes first thing on Bob's bus. Once children have run their race, you are welcome to take your child home – but please be sure to sign them out with their class teacher. Children must stay in their designated area unless the teacher has given permission for them to go to the Canteen/toilets. One other important thing: Clunes PS have declared their Adventure Playground Out-of-Bounds on Cross Country Day. Sadly, that also means pre-schoolers are also not allowed on. Remember also: School Uniform, Runners (No spikes), Hats, Water Bottles, Packed Lunch OR Money.

**If you haven't paid your book pack fee, please consider making a contribution towards the cost of these resources. See Kim in the office to make a part or full payment.**

GRIP Leadership is ON this Friday for Years 5 and 6 students only. This year, we have arranged for our students to travel by bus with other children from First North Learning Community. The bus will leave from CLUNES GENERAL STORE at 7.30am sharp. You must drop your child to me there no later than 7.15am so that I can mark the roll. Children will be dropped back at Clunes at approximately 3.45pm. It's going to be a wonderful day so please make sure all consent forms are in by tomorrow.

Next week, our Years 3 and 5 students sit the NAPLAN tests. The tests are an opportunity for students and parents to find out how children are going with their learning as well as for teachers to continue learning more about each student's individual learning needs. Before the tests (Tuesday, Wednesday, Thursday), it is so helpful if children have a good night's sleep and a hearty breakfast. Children who are away on the day of their test will be allocated a make-up day. Please pop in or give me a call if you have any questions about the tests.
