Dear Parents

This Friday is **Zone Cross Country!** Hip, hip, hooray and congratulations to those students representing First North on the day. Rosebank supports Corndale in the running of the day, so Ms Sawyer will be acting as First North Team Manager, ably assisted by Mrs Gallpen. Students involved should meet Ms Sawyer at 10.00am in the Marshalling Area beside the Start at Corndale on the morning of the Meet.

The Senior Class will be taught by Mr Macgillivray on Friday. As Abigail will be at the Cross Country, there will be no Assembly this week. Next week, however, we are planning a very special Assembly around the topic of Leadership. The Years 5/6 students who attended the GRIP Leadership Conference will be presenting role plays about different ways to *Stand Up!* as a leader. Hope to see you there.

What is LAPS?

Our first LAPS lessons have been re-scheduled as the teacher was unwell. If you're new to Rosebank or a parent of a Kinder child, you might be wondering what it's all about. LAPS is the Little Athletics Primary Schools Program and is run to assist students develop skills in Athletics before the Athletics Carnivals early next term. All age levels participate and the program is funded from money we received from the Premiers Sporting Challenge.

Rosebank's BOOK FAIR

BOOK FAIR

Book Fair is OPEN! The library is stocked with beautiful books for you to view and hopefully buy. The school earns a commission on books sold provided we crack the \$1000 mark, so perhaps you'd like to start your Christmas shopping early.

Our Annual Book Character Parade will be held on Wednesday May 27 at 9.30am. Please start thinking about your child's costume and come along on Wednesday morning to join in the fun. Bring a plate to share for an early Morning Tea and we'll kick on for a little community get-together after the Parade. Be sure to bring some \$\$\$ because your children are sure to put the hard word on you to buy a book from the Fair.

Premiers Sporting Challenge is underway!

Each year, our students participate in this drive to promote physical activity. This year, students are filling out and storing their record cards at school to make sure none are lost and save you a job.

Bus Behaviour

Sincere thanks to parents for your support in speaking with children about Bus-Safe behaviour. We are all keen that students enjoy their trips to and from school and arrive safely.

Something each family can do to help us manage "hopping on the bus" time is to make sure the school is advised of any change in transport arrangements. Quite often lately, children have said that Mum or Dad has told them to wait at school/go home a different way but we have no note or advice. We have to send students by their usual mode of transport unless advised otherwise. Please let us know if anything changes for you so I can concentrate on getting on the bus and making sure all those seat belts are buckled!

Year 5/6 Camp

A note has gone home seeking Expressions of Interest in this year's Senior Camp, which is only for Years 5 and 6. Please return asap so we know whether or not we can book. Year 4 students will camp this year with Year 3 and there will be no overnight camp for Year 2. We'll be discussing possible camp arrangements for younger students at our next P&C on June 9th and would love to have you there.

Small School Soccer Team Training

There will be training at school tomorrow morning for the soccer team so all students involved in the team will need to bring their shin pads and soccer boots.
