Discussion.

Dear Parents,

With many of the children from the Senior Class away in Canberra, our school community is an intimate one this week. The Year 4's and Arusha have stepped up conscientiously as the school leaders, taking this opportunity to demonstrate their leadership capabilities.

The children's ability to adapt to changes in their learning routines this week has been commendable. I, for one, have enjoyed the extra time with my Year 2 students. The Year 3 and 4 students enjoyed a vigorous two days with Mrs K learning how to make animation videos. The Year 3 and 4 students will now be joined by Mrs Gallpen for the remainder of the week.

Next week the Stage 2 children will be going on their camp. We have decided to elect for a self-catering option, as cooking together is so much fun! After a number of discussions it has been decided that we will be enjoying a Mexican Fiesta Dinner! **We require one dad as a volunteer.** We are offering you delicious food, a comfy bed, damper cooked on the camp fire and the company of all our Stage 2 boys! So if you think you are right for this position and would like to share your child's camp with them, please give us a call!

Our Stage 1 children will be joining the Stage 2 students on the Friday where we will spend an exciting day at Rocky Creek Dam with the staff from the Dorroughby ECC, learning about water conservation and Bungjalung culture.

News from Canberra.....After a long night of travel, all students, parents and teachers arrived slightly exhausted and safe at their destination. The itinerary is busy, however, a fantastic time is being had by all. We look forward to hearing all about their expedition when they get back.

Thank you to all those parents who contact the school on a **Tuesday** between **11.00 – 11.30** and **1.00 – 1.45**, we really appreciate this as there is no one in the office.
