Dear Parents

We love our little school and do our very best to make sure what we do reflects the values, hopes and dreams of our school community. Thank you so much to the wonderful parents who came along to this week's P&C....Your input helps us make Rosebank a true community school. Next week, there will be another meeting. On Wednesday, from 5.00pm to around 7.00pm, we will meet to discuss the 125th Birthday Fête and other planned celebrations. Don't worry about wolfing down dinner...We'll put on some pizza for the brave souls who venture out into the cold. Please let the office know if you're coming so we can order for you...

Small Schools Soccer

Last Friday we used up a few of our allocated miracles, amazingly scoring enough fine weather to hold the first two rounds of the Small Schools Soccer Knockout at our Annual Eureka Gala. We had a fantastic day...Our Footballers were incredible on the field, demonstrating superb teamwork and great sportsmanship. The team was captained on the day by William and Jayde. While there were many outstanding players, special mention must be made of the two Year Three players making their debut for Rosebank. Jethro and Seth certainly held their own, with Jethro scoring two goals! Sincere thanks go to our wonderful coach, Dave Hughes, who prepared the students so beautifully and brought out their best. We're through to Round Three, with two more matches to win to earn a spot at the Sydney Championships. RISE Up, Rosebank!

SUSHI...YUM!

Tomorrow we have another of our special Sushi Canteen Days. Orders for Sushi closed today, but you can still order from the regular menu if you forgot to get your order in early. Please note that, in cooperation with the P&C, we are phasing out some treats and looking for healthier options. Sunfruits are now sold out and will no longer be on the menu.

More Canteen News

Several weeks ago, Yogasangha let us know that, after five years of taking care of the Canteen for the school, she has decided to hand over the reins due to work and family commitments. We are enormously grateful for the very positive contribution Yogasangha has made to our school in her capacity as Canteen Coordinator. She has done a fabulous job and we offer our sincere thanks. Should you feel that you might be able to fit a little Canteen loving in your life, please give Abigail a call or send an email to Abigail or the Office.

Staffing 2017

It was so fantastic having such a crowd at the P&C this week. There were a lot of important things to discuss and having your perspectives is very important to us. At the P&C, I shared the news that Mrs K and her husband Andrew have decided to head home to Sydney next year to be closer to their families. A little while ago, Sharley applied for a job in Sydney for 2017 and was successful. This means that Sharley's permanent position at Rosebank will become vacant.

The Department of Education has a number of rules that we must follow when appointing a new permanent staff member, and we have just begun to negotiate our way through this process. In the coming weeks, I will share more information with you as we work our way through each step, always with the best interests of our students in mind.
