Dear Parents

THURSDAY: NAIDOC Celebrations in Lismore

Had a FANTASTIC day at today's NAIDOC celebrations, with our Whole School Choir singing up a storm. Watch out for photos and a video on our website. Thank you to parent helpers Monika, Alicia, Jacki, Sri, Layla and Mel Grez.

FRIDAY: MUFTI Day and Musicians' Showcase

As a special treat, children are invited to wear free dress this Friday (appropriate, modest clothes that are suitable for fun and Sport). Seniors will be having trials for the First North Athletics Carnival that day, working out who our nominees will be for Sprints, Discus and High Jump.

The drum on the DISCO

Wow! Our disco was just the best fun ever! Absolutely every student came along, and they all revelled in one another's company. Big kids danced with little kids, there was intense competition for the Dance-Off and just SO...MUCH...FUN!!! Alex in Year One was totally primed for the big night, practising his moves with serious intent, and is already asking when the next one will be.

The disco was planned and run by our student leaders, and raised \$260. Senior students had a class meeting today and have decided that half of this money will go to [The Hunger Project](#) and the other half to their own projects (Senior Shirts, Yearbooks etc). We had an awesome Maths lesson counting the proceeds and calculating profit margins, with children very excited to count all that money that they had made themselves.

What's ahead....

Rosebank Roundup

Report Cards are out, Parent-Teacher Meetings are almost done and we end our semester feeling so proud of our children for their beautiful community spirit, acts of public service and focus on learning.

So, to round up our term...Our Positive Behaviour for Learning (PBL) program is going strong, focusing on children's good behaviour and great sense of community spirit. This year, we decided to prioritise Student Wellbeing and work to make school even more fun. This term there were lots of activities to knit us together as a community: Billy Cart Building, Whole School excursions, the School Disco, and lots more. We have enjoyed wonderful support from parents. Guided Reading in the K-3 is especially effective this year because of our skilful and dedicated parent helpers. Our garden is looking beautiful thanks to Lynn and others who help children tend it, not to mention harvesting the bounty and turning it into goodies like Pesto Pasties and Syrupy Orange Muffins (YUM!)

Next term, there are changes afoot. Year Three students will move into the Senior Class, where their warm welcome was being planned this week. With Emma's arrival, we decided that our K-3 class was growing a little large, given our commitment to helping children in the early years of school form solid foundations. As well, our Year Threes have grown mature enough for the challenges of the 'Big Room'. Years Two and Three students will still have their mornings with Mrs K on Mondays and Tuesdays, and still do Science with Mrs K as well.

And finally...

After five years of service to our school community as Canteen Convenor, Yogasangha is handing over the reins to Layla, Jali's mum. We sincerely thank Yogasangha for her loving kindness and hard labour, making it possible for our children to enjoy Canteen, no small feat in such a small school.

Election Day Stall Saturday 2nd July

There will be a box on Bob's bus on Friday afternoon for collection of cakes, donations etc. If you can't put your items in the box on Friday afternoon, please drop off on Saturday morning at school. Amelia is also in need of some help during the 8.00am to 9.00am period on Saturday morning if anyone can help during that time.
