Dear Parents

Today, a sealed letter is going home with each family. The letter shares some sad news. We ask that parents read the letter themselves first, then think about how information might be shared with children. We will speak with all children about the information in the letter tomorrow.

## ATHLETICS CARNIVAL

Our children came back to school today in high spirits, full of stories of sporting achievements. We were a bit sad about marching (*We was robbed!*) but so happy to see Upper Coopers Creek take the trophy away for the first time. Don't get too comfy with that trophy UCC! We have our eyes on it!

Thank you so much to our wonderful parent supporters for coming along and cheering us on. We had a lot of ribbon winners on the day (Oliver Grez, I'm looking at you!) and will let children who have qualified for the Zone Carnival know as soon as we are advised.

This year, Carnival organisers tried mixing things up a bit. There were some big glitches...The little guys missing their relays was one. We will pass on any feedback from parents, as well as our own, to the organisers and work with them to iron out any kinks for next year.

## TELL THEM FROM ME!

This term, we are excited to be participating for the first time in *Tell Them From Me*, a student feedback survey developed by the Department of Education. The survey aims to help improve student learning. The focus of the NSW-wide survey is on student wellbeing, engagement and effective teaching practices.

The survey is an opportunity for students to provide us with valuable feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. The survey is confidential and will be administered during school hours between 22 August and 21 October. A consent form and FAQs for parents/carers about the survey is being sent home with students. If you **do not** want your child or children to participate, please return the form to school by. More information about the survey is available at: <http://surveys.cese.nsw.gov.au/information-for-parents>

Parents will also have an opportunity to share feedback, through another survey, the *Partners in Learning* parent survey. More information on the parent survey will be in next week's newsletter.
