Lucy in the Garden

Cameron: Fabulous Writing Focus

Dear Parents

Last Friday's Assembly was amazing, with children harvesting a BUMPER crop of awards and acknowledgements. We also had a [Pep Talk from Kid President](#), who encouraged us to get on the road to awesome. Our Soccer players received special individual trophies to mark their successful season, with Coach Dave and Liam in attendance to present. Griffin played our Student of the Week song and there was general merriment. There is a special Assembly Wednesday morning from 9.00am to hear the Top Five speeches from Stages 2 and 3 (Years 3-6). Love to see you there.

Going GREEN!

Fergus and Ederyn were acknowledged with GREEN THUMB awards to thank them for their outstanding work in our new garden. Both boys gave up their lunch play as well as some school time to water and mulch our beautiful new plants. Other children helped as well (Shout out to Lucy, Best Dressed Gardener in Town). Thanks to everyone's efforts, all plants are thriving in their new home.

NAPLAN

Years 3 and 5 students have their NAPLAN reports with them today. Our Year 3 students excelled themselves in Reading and there have been some great results in Grammar and Punctuation as well. In such a small school (Small School, Big Family) school averages can vary widely from year to year, depending on the learning capabilities and needs of children. We carefully analyse our NAPLAN information to see how much children have improved over time and how we can best assist them to learn and grow even further. Should you like some help to read or understand your child's report, give us a call.

CRAZY HAIR DAY

What a hoot! Children and teachers were looking suitably crazy for our annual Westpac Rescue Helicopter Fundraising Day. Kiara's edible look stole the show, but there were some other outstanding 'dos as well (Griffin, we're looking at you!) Thanks so much to all those who plaited, sprayed, twisted and wigged. We raised \$62.

GOALS FOR HUMANITY: Sponsorship Money Due next week

Children participating in Goals for Humanity are achieving some amazing things. Arusha has been making a difference by cleaning up the beach, and Griffin held a successful raffle – putting the hard word on Grandma's friends to reach his goal of \$100 for the Hunger Project. It's only a few weeks now until sponsorship money is due. Could we ask that any money raised for the Hunger Project comes to school in a marked envelope (Your child's name, "The Hunger Project" and amount enclosed).

What's happening at CANTEEN this week?

This week, we have a special straight from our school veggie gardens. Lynn will be making Spinach and Cheese Triangles with spinach grown here at school, special thanks to Te and Jethro who spent their time preparing the garden beds for the spinach. Delicious Banana Smoothies are also on the menu and we have organic veggie samosas (mild not spicy) along with our regular menu items and sushi (Sushi-Pro).

ORDERS IN TOMORROW PLEASE!

Tuna and Avocado Sushi Roll	\$3
Chicken Teriyaki Sushi Roll	\$3
Avocado Sushi Roll (Brown Rice)	\$3
Organic Samosa with yoghurt	\$3
