Farewell Anna and Vinnie
Bring a plate and come along

Week 7

Monday 3.30pm
Bush School Arvo Tea
Tuesday and Wednesday
K-4 Excursion/Camp
Dorroughby EEC
Thursday
Kindy Transition Morning
6.00pm Planning Dinner

Just a little bit pleased with ourselves!

Newcastle Maths Competition Distinction Award Winners

Newsletter Term 4 Week 6 2017

I'm really good at this.

Samuel Bolam, on his Maths Pathway

There was SO much love in the room at last week's Assembly, thanks to the many parents who came along to share our Assembly and celebrate the achievements of the MANY children who achieved special awards during this year's Mathematics competitions (Newcastle Maths and ICAS). In case you missed the excitement, this year we had a bumper crop of award recipients. It was great to see the excitement with which children received their awards (Harley was fit to burst).

NM Distinctions: Ederyn (1/2 point off HD), Chai, Girffin, Harley, Jayde
NM Merit: Sam (1/2 point off D), Cosmo, Bodhi, Fergus, Shaylah, Arusha, Lucinda

ICAS Distinction: Bodhi

ICAS Credit: Cosmo, Quinn

ICAS Merit: Griffin

These awards count towards Bronze, Silver and Gold awards, so keep your eye on your award count and bring them in to trade when ready. Two students achieved their GOLD award last week, Bodhi and Lucinda. Well done to these two special Year 6 students, who have lead the school with grace and good humour the year through. We're really going to miss you both.

Why is Sam so happy about Maths Pathway? This week, he reached his goal for the end of the year. He had set himself the goal of 6.2, meaning he aimed to master the Year 6 content in the program and have a dabble in Year 7 work....except that he's in Year 5! Yellow Hat Thinking all 'round as goals being kicked all over class. Thank you for generously support of this program, it's been a great ride with MP this year.

Camp is coming....

Next Tuesday, K-4 kids are heading off to Dorroughby for an outing. Years 2-4 are invited to stay overnight for a special Camp with Mrs Hughes and Brandon. Check out the details in the notes attached.

LOVE your LICE BUSTING MOVES>>>

Thank you so much to all families who checked and treated hair last week. We did a visual check Monday and almost everyone got the all clear. We missed a few latecomers, so checked in Tuesday as well. We'll be doing this every week until Christmas, so no one gets extra presents in bed Christmas morning. Next week, we'll send a note home with every child after their Monday check, so you know if you got the all clear or not. There were three kids itchy when they got home Monday (Thank you so much for telling us parents). If you have had any lice at all this week, please let us know, as we are working hard to get rid of them and need to know what we're up against. We figured we can do even better....This week all hats will go home Friday for a wash, and we'll be washing all remaining Lost Property and soft furnishings. A reminder from our doctors-in-residence that you'll need to check your kids' hair during the week as well, as the lice life cycle means that any stray eggs could hatch and get busy laying more eggs between Friday checks. When kids get head lice, teachers often do too...so we're all VERY motivated to see them get busted!

Bush School Arvo Tea Monday 20th November 3.30pm

A BIG reminder....On Monday 20th, from 3.30-5.00pm, there will be a Bush School Arvo Tea, where we will discuss future plans for Bush School. Child-care will be available.

School Planning Dinner Thursday 23rd November 6.00pm

Thursday next week, we are putting on a special dinner for parents and community members, at which we'll talk about where the school is at now and where we'd like to see it heading over the next three years. We really hope to have you with us. Please call in to RSVP so we have plenty of yummy food to share.

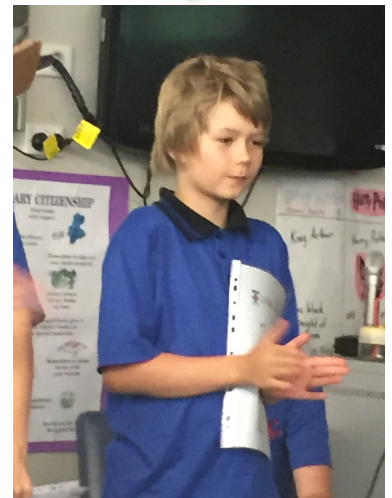

The KINDIES are coming!

Last Friday's playdate was a HOOT! We all had a great time, hardly noticing the rain as we got busy with robots, puppets, face painting (Thank you Gretta!), playdough, puzzles, board games....Great fun for everyone and a super welcome to Big School for little people all over the village. Kindy kids return tomorrow for the first in-school morning of their transition program. We're looking forward to seeing you Araluen, Finley and Thor. If you know any other little people who are Kindy-ready, send them our way! Gallery will be up soon with lots of piccies!

**Please support our ONLINE AUCTION....
Closes 20th November.**

This week's PBL:

BE KIND!

2018 School Leaders

Nominees should now be working on their speeches, which will be given at a special Assembly on the morning of Friday December 1st. We've decided to hold voting until the following week, so voters can reflect over the weekend on the speeches and what they have learned about each candidate's leadership over the whole school year.

MUSICAL prep

Rehearsals are in full swing for this year's extravaganza, so we're looking forward to seeing you there on Thursday December 7th at Clunes Coronation Hall (opposite the old school). Layla has generously offered to coordinate the kids' dinner, but we'll soon be putting the hard word on you to contribute something for the adults' meal. Info about costumes home Friday this week. Kingsley is likely to be away, so if anyone else will be recording the show, please let us know so we can get you a prime position.

And finally...with heavy hearts, we say goodbye to Anna, Vinnie, Monica and Norm, who head home to Czechoslovakia this weekend. We will be having a special farewell on Assembly, followed by a shared afternoon tea and extra playtime. Please come and wish them well with us.

This week's Class Awards:

K-3: Cameron (Reading), Sunny (Great Work), Sundari (Strive, Stretch, Sustain)

4-6: Boudica (Courage), Lucinda (Strive, Stretch, Sustain), Ella (Writing), Kiara (Writing Planning)

Rosebank Team: Abigail, Nicky, Mim, Olly, Kim and Jen

We respectfully acknowledge the Elders past and present of the Wijabal Wiyabal people and other peoples of the Bundjalung Nation. They are the first peoples of this land, which has long been a place of learning for Aboriginal people.
