Share the LOVE!

Do you wonder what your child does at school?

Would you like to hear more about our programs?

Do you need the low-down on Home Learning, schools requirements or other school biz?

Come share dinner with your Rosebank PS friends

Tuesday night (Valentine's Day) 4.00pm-7.00pm

Children should go home on the bus as usual as we will need time to prepare the classrooms for our Information Sessions. Parents wishing to learn more about the Bush School program should come along at 4.00pm Tuesday for an information session outlining how the program is going to work, including staffing and curriculum links. Parents wishing to contribute ideas or suggest resources should join us Sunday on the Reserve (4.00pm).

At 4.30, Nicky and Mim will share information about routines and programs K-3 and explain how you can support your child's learning. Abigail will share information about how things work in the Senior Class from 5.15, including a demo of Maths Pathway and discussion of Home Learning. Dinner is served from 6.00pm and we'll meet for a short P&C AGM over dessert.

Clare Stirling-Yow, one of our casual teachers, will be available from 4.00pm to supervise children while parents are attending information sessions. At 5.00pm, Clare will move to the library where children will be able to watch a movie with friends. Children and parents will be able to get together for dinner, after which children will return to the library for the end of their move while we have our AGM.

Ps: Nicky's cooking and you know what that means (YUM!)

THE WASH UP: Swimming Carnival

A fantastic day was had by all at the First North Swimming Carnival last Friday. Congratulations to all participants, but special mention to our youngest swimmers, Liam, Levi and Quinn, who represented our school with distinction. Those going through to Zone will be advised asap and put in newsletter next week. PP5 Team going through will be:

Arusha, Ella, Kiara-Rose and Sam

rites of passage

Our first Assembly of the year is a very special one, as we welcome our Kindy children into our school community with our special Rose Ceremony. Starting at 1.45 Friday, children will recite poetry, sing and listen to a special story as the Kindy kids are led on their spiral walk. It's a beautiful occasion – as ever, everyone is welcome.

The Rosebank Team

Remember....

If you would like to check out the Outdoor Learning Space on the Reserve...or contribute ideas for our Bush School program, we will be meeting there Sunday 4.00-5.00pm. On Tuesday, we will move on to discussing our learning plans, what children will need/wear, risk management etc

We respectfully acknowledge the Elders past and present of the Wijabul Wiyabal people and other peoples of the Bundjalung Nation. They are the first peoples of this land, which has long been a place of learning for Aboriginal people.
