## Newsletter Term 1 Week 5 2017

*Gratitude is not only the greatest of virtues, but the  
parent of all the others.*

### **Practising Gratitude**

It is difficult to believe, but we have already reached the halfway mark of the term. There is so much to be grateful for. As a PBL school, one of the things we encourage children to do is practise gratitude, so it's important that the teachers do too...

We are grateful for the help we receive so that our children can experience such rich and varied learning experiences. This week, Mandy from Life Education delivered stunning lessons to our children that really engaged their minds and challenged them to make healthy choices.

We are grateful that we have such a fantastic canteen. Our children LOVE their bottomless cups, special menu items and seeing their mums and dads at the serving window. Special thanks to Layla for coordinating and all those who volunteer to set up or serve.

EOIs for Sapphire Rose Due

### **Week 6**

WEAVING CONNECTIONS  
Continues...

ASSEMBLY 1.45 Friday

We are grateful for the support of families, their flexibility and understanding. Last week, we asked for a quick turnaround on Healthy Harold notes. Thank you for your great response. If ever a quick turnaround presents a budget challenge, please just fill in the consent form and give Abigail a call. At our school, the most important thing is that everyone who wants to participate, can. It's fine to pay a little later. Gentle reminder: Info Update forms due!

We are grateful for reading helpers, parents who drive their children to zone and regional sporting events, our Garden Club helpers and everyone who comes along to P&C.

### Speaking of Canteen...

This week's Bottomless Cup: Pineapple Fizz  
 Cheesy Beef Cruisers \$3.50  
 Mango Nice Cream \$2  
 Banjo Bears \$1.50 (Mint, coconut, original)

### Website Reno

Check out our website. Abigail has put up lots of new galleries, with piccies from Canberra trip last year through to this week's fun times with Healthy Harold and our friends from Upper Coopers. All First North principals are committed to giving our students in small schools opportunities to widen their friendship groups, so we will be inviting children from other schools to other special Rosebank activities. Check out the website and stay tuned...

### Weaving Connections

Kim Tait from Weaving Connections will be in school this Friday to begin her Artist-in-Residence program. Children will be working in groups with Kim, who will be supported by Layla, with class teachers on hand to assist. Kim has asked if anyone has onion netting or orange bags at home, if they could send them in for us to use.
