My personal passion is a culture built around beautiful student work.

Ron Berger

PBL: Raising the Bar

Walking around the school and seeing beautiful work so lovingly done, I have been reminded how having deep, resonant experiences of nature, Art and Music not only feeds children's souls but excites their senses and stimulate high quality reading, writing and 'rithmetic.

After working with Kim from Weaving Connections, some Year 3s produced just gorgeous paintings depicting the life cycle of mushrooms, the great recyclers. Even just sitting together after lunch, the children have enjoyed listening to Celtic songs about ancient kings. Maybe not coincidentally....this week's writing has been so imaginative and skillful, we have had deep talks about History and we have been thinking about universal themes in stories.

Thank you for going on this journey with us, for supporting our programs with such enthusiasm and generosity.

And the winner is.... COOL KIDS Design Competition

BOOK CLUB going home today...Orders due March 24th

InterRelate: Human Relationships Education

Excitement is building as we look forward to another opportunity to see our First North friends. On March 20th and 27th, Years 5 and 6 students will attend InterRelate. Children from the First North Community of Small Schools gather at Bexhill PS, where a specially trained educator will guide them through the "Minding Me" (Year 5) and "Moving into the Teen Years" (Year 6) programs.

Consent forms have gone home today, please return to the office along with payment. Children attending InterRelate will travel as usual to school and we will then all travel back to Bexhill with Bob on his bus. Children who normally arrive by car can either meet us at Bexhill at 9.15am (sign in at the Bexhill office if we haven't arrived and wait near the oval) or come to school and travel with us by bus. Please collect your child from Bexhill in the afternoon (3.00pm).

Book Lovers Unite!!

Abigail has been shopping up a storm and buying a HUGE number of new books. There are lots more picture books on order, so we are asking parents who might have a little time to spare (either at school or at home) and who could cover some books for us to put their hand up. Pop in and see Kim or Jen who will set you up with some contact and a little pile of books.

Weaving Connections

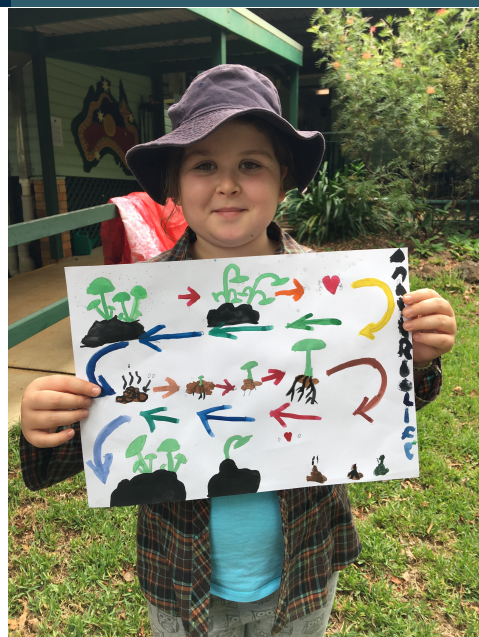

First Weaving Connections workshops went down a treat, with some beautiful creations already taking shape. Thank you so much to the parent volunteers who helped out and to Kim and Layla for their great teaching.
