*Happiness is not just a place, but also a process...
Happiness in an ongoing process of fresh challenges
and it takes the right attitudes and activities
to continue to be happy (Ed Diener, Psychologist)*

Welcome back everyone!

Some of our families have been enjoying spectacular holiday adventures over the last few weeks. The Bolams have just returned from their European Grand Tour, Ederyn and Pete had the ultimate Sound of Music experience in Salzburg and the Whillas tribe are about to return from the Outback. Our current focus in Writing is Recounts, so it is wonderful that so many children have really amazing experiences to reflect on. Others of us have to make do with a tour of the local hospital (my Lulu broke her arm) or really extra special amounts of housework, so we'll draw inspiration from our intrepid travellers and start planning our next holiday.

The program for the Athletics Carnival is going home today and nomination sheets for ball games, relays and field events will be sent home later this week after we run a few more trials. Once nominations are posted, please email Abigail if you have any questions or notice an omission. We hope to see you at Eureka PS on the day. It is always such a fun day in the sun and there will be TWO canteens! Menus on the way....A reminder, children are going directly to Eureka on the morning bus. Anyone needing to be collected from the school MUST be waiting at the front gate at 8.30am. The bus will not return to the school after that, but continue to pick up children at their regular stops and drive on to Eureka.

Also going home this week:

Parent-Teacher Conference Booking Sheet

Teachers will be available during Week 3 to meet with parents and discuss their child's learning and development at school. Write your name against three times on the booking sheet, marking 1, 2 and 3 to indicate preference and return to school.

Years 4-6 children need an art shirt. Please send in an old adult-size t-shirt to leave in our room.

LISMORE PERFORMING ARTS FESTIVAL (LPAF)

The wonderful Mr Pescia is busily preparing Years 4-6 students to perform an item at this year's LPAF. LPAF is on during Week 7 of this term and all Years 4-6 children are invited to be part of this wonderful festival showcasing the talent of local public school students. Our group will perform at one of the evening concerts, so either Tuesday 29th, Wed 30th or Thursday 31st August.
