Week 3

Friday 4th July
GYMNASTICS Coaching
Program
K-3 9.00-10.00
4-6 10.00-11.00

NEXT P&C MEETING

Week 4

Tuesday 8th August 3.30pm

Congratulations Rosebank! First North Athletics

It was a beautiful day to be outdoors yesterday, enjoying the sunshine and cheering our competitors on in their foot races, ball games and novelty activities. We were so proud of all our Rosebank competitors, our ball games teams were slick, our runners gave it their all and our littlest sportspeople applied themselves diligently to fun-making with sack races and other fun games. Both Junior and Senior Ball Game teams won ribbons, many individual competitors took home a prize and all children had a lot of fun. Thank you so much for coming along and supporting us on the day. It makes such a difference having an enthusiastic support crew. Big thanks also to Nicky, for getting everyone on the bus and to Eureka in record time and tip-top shape...We've never looked so good at the start of the March. Thank you Miss Mim for your hard work marshalling for races and to Olly for staffing the shade shelter, making sure everyone was where they were supposed to be. More Athletics fun this Friday, when nominated students head to Clunes for Field Events.

FIELD EVENTS THIS FRIDAY

All children in Years 4-6 as well as nominated students from K-3 (8-10 year olds only), are off to Clunes PS this week for Part II of the First North Athletics Extravaganza. All nominees should have received an information note and consent form, which must be returned to school by Thursday (tomorrow). Transport for this carnival is by private arrangement, so please let us know if you need some help. Children must report to Ms Sawyer on arrival at the carnival and sign out when going home.

BUS NEWS FROM BOB & BARB

Bob called early this week and reports that he is doing well and missing us all. He appreciates all the good wishes that have been sent his way and looks forward to returning to driving in a few weeks.

>>>>>GYMNASTIC AHEAD>>>>>

Our children are really in the 'Zone' at the moment. They have loved training for Athletics, with both classes outside training almost every day. We aim to keep our fitness bar high, so we have booked North Coast Gymnastics to come into the school for a four-week gymnastics coaching program. Qualified coaches will coach the children, bringing all safety gear and equipment needed to school each week. All you need to do is send in (yet another) consent form. The program is being funded by a Sporting Schools grant, so is a gift to our children and families from the school and Sporting Schools Australia.

Parent-Teacher Conferences NEXT WEEK

Teachers will be available next week to meet with parents and discuss their child's learning and development at school. Write your name against three times on the booking sheet, marking 1, 2 and 3 to indicate preference and return to school. If you come along on Learning Showcase night, the children will have prepared displays of their work for you to see.

Years 4-6 children need an art shirt. Please send in an old adult-size t-shirt to leave in our room.

CANTEEN THIS WEEK! Regular menu PLUS Bottomless Cup: Citrus
NEXT WEEK's PBL: Raise the Bar

Fergus, William and Griffin off to Creative Arts Camp Week 4:
Congratulations RB Arty Smarties!
