Thank You

Thank you, to our parents and extended school community who attended our badge ceremony last week and assisted with food preparation for our BBQ. Thank you, for supporting our Year 6 students as they take their first steps towards learning more about leadership.

Congratulations

Congratulations to Levi, Sophia, Cameron and Beau who represented our school at the National Young Leaders Day at Brisbane Exhibition and Convention Centre yesterday with Mrs Thomson. We had the opportunity to listen and engage with amazing inspirational speakers and Australian ambassadors- Jade Slater (the host of the conference and Product Manager of the Cotton On Foundation), John Coutis (without the lower part of his body, John rolled around on his custom skateboard sharing his story and his enthusiasm for life), Erin Molan (a prominent host on Channel 9 and trailblazer for women in sport media), Bianca Chatfield (former Australian Netball Captain and contestant on the Block), Jackie French (best-selling author who has written more than 200 books over 25 years) and Solli Raphael (crowned the youngest Australian Poetry Slam champion at 12-years-old in an all-adult competition).

Good luck, Levi!

Today Levi represents our school and the First North schools at the Northern Rivers Zone Swimming Carnival at Alstonville Pool.

Wellbeing

At Rosebank Public School we are extremely passionate about providing a safe, quality environment to encourage healthy, happy, successful learning. We are strongly committed to creating opportunities supporting wellbeing through positive and respectful relationships and fostering a sense of belonging to the school and community. If you have any concerns please make an appointment to see your child's teacher.

Clean Up Australia

On Friday 28th of February at 2.00 pm, we will be participating in a clean-up School Day as part of the wider Clean Up Australia event. Students are asked to bring in a pair of gardening gloves to wear to protect their hands during the event.

RISE Positive Behaviour for Learning

This week we will be focusing on Safety in the Playground by waiting for the teacher, playing by the rules, including everyone and being in the right place at the right time.

Library News

Looking to escape to another world? Then look no further than our library. All students are welcome to bring a Library bag to borrow each Monday. We have an incredible range of books to read and are always adding new books and series onto our shelves.

Mosquitoes

There appears to be a higher level of mosquitoes this year due to the hot, humid, damp weather. Please apply insect repellent to students at home if they are affected by mosquitoes.

Attendance

We have a strong focus on high, school wide attendance. A high attendance rate is important because students are more likely to succeed and develop a strong sense of belonging when they attend school consistently.

Have an awesome week everyone!

From Juanita, Oliver, Kim and Jen (The Rosebank Team).

'Treasure your relationships, not your possessions' – Anthony J. D'Angelo

Student of the Week

Gabe: Listening Well to Complicated Instructions.

Sunny: Leading K-2 Math Group Activities.

EVERY DAY COUNTS....

A day here or there doesn't seem like much, but...

When your child misses just...	that equals...	which is...	and therefore, from Kindy to Year 12, that is...	This means that the best your child can achieve is...
1 day each fortnight	20 days per year	4 weeks per year	Nearly 1 ½ a years of school	Equal to finishing Year 11
1 day a week	40 days per year	8 weeks per year	Over 2 ½ years of school	Equal to finishing Year 10
2 days a week	80 days per year	16 weeks per year	Over 5 years of learning	Equal to finishing Year 7
3 days a week	120 days per year	24 weeks per year	Nearly 8 years of learning	Equal to finishing Year 4

Give your child every chance to succeed...

Every day counts!

**Slow down to 40km/h
when bus lights flash**

The NSW Road Toll for 2020 already stands at 33 people killed on our roads since 1 January.

Safety around schools continues to be an area of focus – improving driver behaviour & awareness is important in an environment where young children are vulnerable to danger.

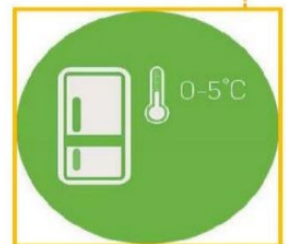

Lights flash on the back of buses to warn motorists they're picking up or dropping off kids. Slow down to 40km/h and look out for children crossing.

The simplest way

... to keep food safe in summer.

Foods such as meat, fish, poultry and eggs; cooked pasta, noodles and rice; and dairy items such as milk, yoghurt, custard and cheese need to be kept very cold.

- Use a cooler bag and ice brick or frozen water bottle to keep food cold in the lunch box.
- Freeze items such as sandwich bread, milk poppers, and home-made muffins. They will be thawed and ready to eat at lunch time and keep other lunch box items cold.
- If preparing lunches the night before, store in the fridge or freezer.
- Don't store food in an insulated bag in the fridge, it stops the cold air reaching the food.
- For food that has just been cooked, cool it in the fridge overnight before packing.
